Hi Linda,

Since I've edited the video into a shorter more coherent edit. I've not currently added in any soundtrack yet although, I have added in a temporary title using a clip from the harvest festival as the text(Matte Track) at the beginning, I've also added in a temporary draft of what the end screen could look like, which will be using the video I've recorded at the events and won't have to have a facebook link it could be information about times of events or contact info etc. - Currently still have the upcoming Christmas Fair to film.

Could you have a look at it and let me know what you think?

Thanks,

Dale

Hi Dale

I think this is brilliant. I would like maybe to put up a new notice with the shield on in the notice board and maybe you could have a picture of this before people are entering the church. At the moment Elim Church is very prominent at that point. But you have captured such a joy and laughter in this it is very good.
Thank you

Linda
